

Vyom Pawa – A Journey of Excellence in Boccia

Vyom Pawa's journey in Boccia is a story of determination, resilience, and excellence. Living with cerebral palsy, Vyom discovered Boccia as a sport that perfectly matched his precision, strategy, and unwavering spirit. Through years of dedicated training and hard work, he has grown from a promising national athlete into one of India's leading young Boccia players.

Vyom first made his mark at the national level by winning the **Bronze Medal in the BC1 category** at the **National Boccia Championship 2024**. Later that year, he represented India at the **Bahrain Boccia Challenger 2024**, where he received his international **BC2 classification** and earned valuable world ranking points.

In **2025**, Vyom achieved another major milestone by winning the **Gold Medal in the BC2 Team Event** at the **9th National Boccia Championship** held in Visakhapatnam. This victory established him as one of India's top Boccia athletes.

In **August 2025**, Vyom proudly represented India at the **Kazakhstan Boccia Challenger 2025**. Competing against some of the best international Boccia players, he delivered an outstanding performance and secured **5th Position**, gaining valuable international experience and improving his global standing.

Continuing his remarkable journey, Vyom represented **India at the Asian Youth Para Games, Dubai, in December 2025**. Wearing the Indian jersey at one of Asia's most prestigious para sporting events was a proud moment for him and reflected his dedication, perseverance, and commitment to excellence.

Vyom continued his winning momentum at the **10th National Boccia Championship held in Ahmedabad**, where he won the **Gold Medal in the Team Event**, further strengthening his reputation as one of India's finest young Boccia players.

Vyom continues to train every day under the guidance of his father, who serves as his coach. Their shared commitment, discipline, and hard work have played a vital role in Vyom's development and success at both the national and international levels.

Today, Vyom is proudly ranked **World No. 73** and **Asian No. 28** in Boccia, reflecting his steady rise on the international stage. His achievements are the result of relentless hard work, discipline, and an unwavering belief in his abilities.

Vyom dreams of representing India at the highest level, including the Paralympic Games, and bringing more international medals to the country. His journey continues to inspire young athletes across India, proving that determination, courage, and perseverance can overcome every challenge.
